# ALUMNI MENTOR

MAKE AN IMPACT TO  
A STUDENT'S FUTURE

If you would like to contribute back to your alma mater, NTU, with satisfaction, we would like to invite you to be a CareerHub@CAO Alumni Mentor.

The programmes we offer allow alumni to help students with valid and relevant career concerns. Understanding that alumni are busy, our programmes are also tailored to fit into your schedules. Thus not only are they easy on time, alumni will definitely feel a sense of satisfaction from helping students gain knowledge and have a better understanding of their career choices.

Take this opportunity to make an impact to someone's career and ultimately, their life. Contributing back is easy. Visit us at [our website](#) to find out more.
