

BRC FYP Requirements (EE4080/IM4080)

PRE-REQUISITES (after the examination results are out for the semester)

- 1. Year 4 standing or in the final year.**
- 2. Students are expected to meet all the requirements for the BEng degree upon completion of the FYP (and IO, if it is to be done concurrently with the FYP or right after the FYP).**
- 3. ABP students are allowed to attempt FYP concurrently with IA/IO/EIA/IRA at any given time. Note that IRA is to be done locally.**
- 4. Non-ABP students are not allowed to attempt FYP if they are attempting IA/IO/EIA/IRA at any given time, except for IO during the May - July period. Note that IRA is to be done locally.**

Remarks: (i) The above requirements do not apply to IO+FYP.

(ii) Students are eligible to do FYP if (i) they had already completed either IA or IO and have a balance of no more than 42 AUs in the last 2 semesters (before graduation), and (ii) they have not done IO and have a balance of no more than 46 AUs in the last 2 semesters (before graduation). Note that the balance AU (42/46) includes that of the FYP.
