* AU excludes (4-AU FYP) per semester.

NOTE *

1. Clear pass students must be able to register their total AU (i.e. normal and overload) during their personalised date and time of registration.
2. Students on Academic Warning or Academic Probation are not allowed to overload beyond Normal Load.
3. In Semester 1, students on Academic Warning or Academic Probation are not allowed to access STARS to register their courses. Instead, these students must see their Academic Mentors to discuss their study plan and endorse the Offline Registration Form (available at the [EEE website](#)).
